7th November 2023

Dear Parents

With the impending scheduled works to our school and overall expansion of the building we would like to offer a potential after school's childcare facility. With our current breakfast club and 2pm-3pm club established, we would like to develop an overall understanding of the need for after-school care allowing children to stay in school until 5pm. We strive towards providing complete wrap around care for all our pupils in our warm, friendly, and safe environment.

Cost Per Child

Breakfast Club £10 per week – *Current Price*

2pm-3pm Club £10 per week – *Current Price*

3pm-5.15pm Club £30 per week

10% discount is available for families.

Each service is priced separately to meet the various needs of each family and all services are a flat weekly rate irrespective of the days attended.

Please complete the online survey as your feedback will determine the outcome of events. Please note, if there is a sufficient demand for the 3pm-5.15pm club, it will be introduced after the February midterm break 2024.
