9<sup>th</sup> April 2024

## Dear Parents/Guardians

We are delighted to welcome our children back to school after the Easter break, and we look forward to many exciting activities scheduled to take place in our final school term.

## Essential Maintenance Work

Essential maintenance work is currently taking place in the Primary two classroom. As a result of this, our P2 children have been relocated to a vacant room within the school on a temporary basis. It is expected that work will be completed in this area at the end of April.

## School Policies

Following staff development days that have taken place during term 2, new school policies have been drafted and will be posted on our school website in due course. We encourage all parents to familiarise themselves with the new policies shared and if you have any queries, please do not hesitate to contact the school.

## Assessment Week

As part of our assessment week, numeracy and literacy books will be sent home on the week of 15<sup>th</sup> April. Our P1 & P2 children will bring their books home for the first time this year, and we ask all parents to complete the two stars and a wish page to celebrate their child's work.

## Wrap Around Care

Thank you to all the parents who have expressed an interest in the proposed wrap around care. This is something we will actively pursue to create a warm and safe environment for children in our school from 8am – 5.15pm. However, due to the ongoing work to our school we have postponed introducing this until the beginning of our new school year – September 2024. Parents will be informed well in advance so appropriate arrangements can be made to avail of this service.
